

2024 406XC RULES

1. DEFINITIONS:

- A. CLASS: Ability based in terms of A, B, and C classification.
- B. DIVISION: The category in which a rider may compete based on:
 - i. Age
 - ii. Sex
 - iii. Engine Size (All vehicles must be 2-wheeled production based machines to earn points and awards)
- C. TRANSFERS: The process performed by the race committee, whereby they evaluate an individual rider on individual abilities and overall finishes in the races competed in, and move the rider up or down accordingly.
- D. RACE COMMITTEE: The board of representatives for the 406XC series, made up of the individual race promoters. In addition, two racing members of the 406XC will be voted on by the 406XC members to be board members for each race year.

2. OBLIGATIONS OF THE 406XC RACE COMMITTEE TO CONTESTANT:

- A. Set rules and standards for promoters and riders in cross country type events.
- B. To handle all protests to any rider's disqualification at the regular or special scheduled meetings after said protest.
- C. Administer and keep track of points from all events sanctioned, and publish annual point standings.
- D. Provide for qualified riders year-end awards for the top three or 33%; whichever is least amount signed up in their classes for the year.
However, more awards may be given out if the 406XC race committee deems necessary.
- E. Maintain a racing program that will continue to encourage new riders.

3. RIDER INFORMATION:

- A. GENERAL
 - i. The 406XC Race schedule will run from Jan 1 through Dec 31.
 - ii. On any dual sanctioned or multiple day event, the 406XC day to receive points is preferred to be the first day, to eliminate pre-riding of the course. This can be waived by the 406XC race committee prior to the event.
 - iii. If a promoter cancels their race, it is their direct responsibility to make sure all 406XC members are informed prior to the event date.

- iv. To receive points and qualify for yearend awards, a rider must be a member of 406XC for that racing year, and must be registered in the series before the race in which they are earning points.
- v. **No rider under the age of 18 may compete without the consent (signature on liability releases and entry forms or annual AMA minor release) of his/her parents or legal guardians present at the race.**

B. RACE MANAGEMENT AND OPERATIONS:

- i. All races in the 406XC will be ran in accordance with current 406XC rules. AMA rules may be used at any individual promoters race, if such advertised. Where the 406XC rules and the AMA rules differ, the 406XC rules shall govern.
- ii. All 406XC race registrations will be offered through MotoTally.
- iii. Individual promoter will be responsible for communicating the type of start for the event at the riders meeting.
- iv. The start must be clearly defined between two points. (Stakes, etc)
- v. The official finish line is defined by the 406XC scoring system.
- vi. All 406XC classes must be offered at any 406XC sanctioned event.
- vii. 50cc class must be run separate of all other classes.

C. INSPECTIONS AND PROTESTS:

- i. The requirement for the use of spark arrestors will be determined by the individual race promoter.
- ii. Bikes should not exceed 96db. Bikes may be tested at any event.
- iii. Any protest will require \$100 deposit.
- iv. 406XC race committee decisions over protests are final.

4. OBLIGATIONS OF THE RACER:

A. BASIC RULES:

- i. All participants must have a membership prior to racing to receive points for any race.

Full adult A/B memberships are available for a \$35 fee. C/Youth class memberships are available for \$35. The membership is active during the calendar year it is issued. This qualifies the member to accrue points toward the year-end awards and subjects the member to the rules of the 406XC. 50 CC memberships are available for \$15
- ii. 406XC members may compete in only one division for points; **apart from the Vintage class.**

- iii. Racers must finish any race started on the same bike for the entire race.
- iv. You cannot ride a greater displacement engine in a smaller size division.
- v. One person may ride in a division for points but it takes 3 riders to make a division for trophies. Riders from three separate divisions may be combined for trophies, but they must be from the same class (A/B/C). The individual promoter may trophy all 3 riders at their discretion.
- vi. All riders, **and spectators, workers, vendors or other attendee** must sign an entry waiver at every race.
- vii. All riders must ride within the course markings, unless informed otherwise by the sponsoring club at the riders meeting (i.e., no passing zones).
- viii. Riders must display their 406XC number on their front number plate. Numbers are assigned as follows:

6. POINTS

A. GENERAL

- i. All 406XC racers must run their 406XC supplied transponder to have their race points recorded. If the transponder results are not available, race results will be used to determine placing. It is the riders' responsibility to assure they are entered for each race and their transponder is operational.
- ii. At any 406XC sanctioned event, the following format will be used for points:

Position	Points
1	30
2	25
3	21
4	18
5	16
6-20	Decreases 1 point per position

- iii. A rider will be considered to have completed the event, provided he/she has completed at least 50 percent of the number of laps as the winner.
- iv. Class champions will be decided by the points accumulated in one less than the total number of the events in the series if there are 7 or more races in the season.
- v. Work points will be awarded to a member who works any day of, or helps set up or teardown, an event. You can only receive work points for one points event a year. The amount of work points issued will be based on the worker's average of points earned at point races. All races will be included in the average; DNS and DNF events will be included as well. To be eligible for work points, you must sign up to work the race no later than 14 days prior to the event. You may still race an event if you have helped with early course work. Open A is not eligible for work points.
- vi. In the event of a tie at the end of a race season, the lowest race finish will be dropped and the points recalculated to break the tie.
- vii. If a rider is reclassified, they may take 50% of the points earned with them (ie, from Vet B to Vet A).
- viii. If a rider changes division, they can take no earned points with them (i.e. moving from Vet A to Open A).

7. RIDER RECLASSIFICATION (TRANSFERS):

- A. 406XC may reclassify riders periodically to ensure competitive racing within the divisions.
- B. Team races do not count as transfer rides.

8. CHECKING AND COURSE MARKING, RACE RULES:

- A. The promoter must hold a rider meeting before the event starts and explain how the course is marked including caution and dangers and how the checkpoints will be handled.
- B. Promoters may handle checkpoint marking as they see fit. If checkpoints are required, any racer who passes in the marked checkpoint will be docked a lap. If a racer misses a checkpoint, they are disqualified from the race and will receive a DNF.
- C. Courses should be clearly marked with arrows, tape, or flags.
- D. No outside mechanical/fueling assistance is allowed outside of the pits, with the exception of the youth races.
- E. The use of helmet to helmet and helmet to pit communications is strictly prohibited.
